

Introducing

Pacific Moonshine - Jewell Distillery

Blue Lake, Humboldt County, CA

Ingredients: Corn, Barley, Wheat, and Cane Sugar

80 Proof – 40% ABV – 750 ml

Tasting notes: Bright aromas of corn and cereal with warm flavors of honeyed cornbread that has a long smooth finish.

At Jewell Distillery, we ferment and distill in small batches to control the flavors and aromas of our products. Crafted with passion, each bottle is hand numbered by batch.

Jewell Distillery uses their own pure Jewell Mountain spring water to blend and handcraft Pacific Moonshine.

How to Drink: We believe our Pacific Moonshine is tasty enough to stand on its own... Pour a glass and..."Get your shine on!"

Tasting Room - Distillery Tours – Sunny Blue Lake

Jewell Distillery – 120 Monda Way, Unit C, Blue Lake, CA 95525
